Dr Benn

Randy alerted me to your and the Vice Presidents interest in a site visit to the location of the accident near silverton.

We are coordinating your request with our epa colleagues in Durango Please provide us with some logisticAl information eg arrival time, names in party etc. I am not personally fAmiliar with the site and do not know how close one can get to the location of the breach.

Please call me at 415 601 2670.

Enrique Manzanilla

Director superfund division
